## VICTORIAN A CLASS & TEN RATER CHAMPIONSHIPS

May 12th & 13th saw the Victorian "A" and Ten Rater Championships sailed at the National Water Sports Centre at Patterson Lakes. The weekend was a repeat of last year, beautiful sunny days with NO WIND.

Saturday saw only a handful of races (read drifting matches), completed and the time limit being exceeded by most skippers at times. Sunday was some what better and we had some odd puffs of wind from time to time. Certainly not adrenalin pumping days. However, we did have a good weekend of friendship and this was aided by the presence of three skippers from Canberra, who, I am sure have been bitterly disappointed in having driven all that way to just sit on the bank.

Ten boats contested the event and the final result was decided between Lincoln McDowall and Rod Clack, with Lincoln finally winning by a small margin.

## RESULTS

1. Lincoln McDowall	10 points
2. Rod Clack	19 points
3. Don Carpenter	28 points
4. Shane Owen	51 points
5. Bill Palmer	51 points
6. Allan Edward (ACT)	58 points
7. Alan Martin	62 points

8. Doug Bode	75 points
10. Lyndon Wilson (ACT)	78 points

Results of the Ten Rater title held in conjunction with the A Class event were:-

1. Bill Hutchison
2. Chris Ryan
3. Lyndon Wilson
4. Allan Edward

Sincere thanks to Eddie Kennedy and his helpers for a job very well done in organizing the event and feeding us, and to the skippers who kept their protest to the water, did their turns, and really lived up to the "A" Boat image of "gentleman sailor's".
